### **Capital Area Humane Society to Host Low Cost Spay and Neuter Clinics and Offsite Adoptions in September**

Columbus, Ohio (September 10, 2007) – The Capital Area Humane Society is partnering with Shelter Outreach Services of Ohio (SOS Ohio) to offer two low cost spay and neuter clinics this month. SOS Ohio is a portable unit which travels around the state performing spay and neuter operations at a lower cost than a typical veterinarian office. On September 15 and 29, the Capital Area Humane Society will host SOS Ohio clinics at the shelter location at 3015 Scioto-Darby Executive Court in Hilliard.

“We have had a great community response to these low cost spay and neuter services, with 52 cats and 21 dogs spayed and neutered so far this year through the program,” said Jodi Lytle Buckman, executive director of the Capital Area Humane Society. “Having your pet spayed or neutered is not only healthy for your pet but also absolutely critical to helping reduce local pet overpopulation.”

All surgeries must be scheduled prior to the clinic date and fees vary based on the pet. Call (614)777-7387 ext. 298 to schedule or for more information about the low cost spay and neuter clinics.

The Capital Area Humane Society will also be participating in PetSmart’s Fall Annual Adoption Event September 14-16. Each year, PetSmart partners with humane organizations across the country to offer homeless pet adoptions at every PetSmart location. Capital Area Humane Society is one of 3,400 organizations participating this year and will be stationed at the PetSmart location at 6010 Sawmill Road in Dublin with adoptable animals.

If you’re interested in meeting any of the cats, kittens, dogs and puppies available for adoption at the Capital Area Humane Society, you can visit the shelter at 3015 Scioto-Darby Executive Court in Hilliard. The Humane Society is open to the public Monday through Friday from 2 p.m. to 7 p.m. and Saturday and Sunday from 12 p.m. to 5 p.m. More information is available online at [www.cahs-pets.org](http://www.cahs-pets.org) or by calling (614) 777-7387.
